COOLET AIR FIT

COOLET AIRFIT has cooling effect & UV protection to keep your arm cool and safe during any outdoor activities. Furthermore, COOLET AIRFIT supports your muscle power by compressing feature with comfortable fit. Perfect for golf, fishing, driving, bicycling or any outdoor & indoor activities even in workplace.

- Double X – Muscle compression /
- Inner mesh - Moisture control / Comport & Soft fit

Materials : Nylon 92%, Spandex 8%

Size : One size with seamless

Color : Black, White, Grey, Violet

COOLET 3

COOLET 3 is made of the patent-registered mesh fabrics weaving that maximize cooling, quick absorption, and quick drying, so when you wet it, you can feel cooler and more comfortable than ever.

Materials : Polyester 92%, Spandex 8%

Size : S / M / L / XL

Color : Black, Blue, OD.Green, Gray

ACTIVE SPORTS SLEEVES

COOLET GLOVE

COOLET GLOVE is made of Aqua-X yarns that the differentiated yarn cross-section creates a light scattering from the surface for UV protection and a three-dimensional pattern for superior comfort, non-shedding banding, and cooling to the back of the hand, while its superior stretch provides incredible resilience for long-lasting wear.

Materials : Nylon 92%, Spandex 8%
Size : One size with seamless
Color : Black, Blue, Violet, L.grey, Y.green, Pink

COOLET 1

COOLET 1 is made of Aqua-X yarns that are used to provide effective cooling, and the differentiated yarn cross-section is light-reflective for UV protection and three-dimensional pattern and non-shedding banding provide a differentiated fit, and the excellent elasticity provides excellent resilience for long-lasting use, even after repeated wear.

Materials : Nylon 92%, Spandex 8% Size : One size with seamless
Color : Black, Pink, L.Blue, Gray, Violet, R.Green, R.Blue, Orange

COOLET 2

COOLET2 is made of N-rit COOL-X fabric that absorbs and dries quickly for a comfortable fit and enhanced coolness to keep you cool, comfortable, and refreshed. COOLET2 is treated with Dr. Bacty for hygienic use.

Materials : Polyester 92%, Spandex 8%
Size : S / M / L / XL
Color : Black, White

COOL-X TECHNOLOGY

WARMLET

WARMLET is a functional sports arm sleeve that provides excellent warm in cold weather and is made with a seamless technology for a comfortable fit, UPF+ sun protection to protect you from the harsh rays of the sun, and breathability to reduce stuffiness

Materials : Nylon 77%, Polyester 13%, Spandex 10%

Size : S / M / L

Color : Black

COOLEG

COOLEG is made of COOL-X fabric that provides superior absorbent and quick-drying for a comfortable fit and enhanced cooling while the silicone treatment on the top prevents it from sliding down or rolling back for a comfortable fit. Dr. Bacty antimicrobial treatment keeps it hygienic use.

Materials : Polyester 92%, Spandex 8%

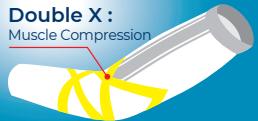

Size : S / M / L / XL Color : Black, White
